

# The Capital Area REACH Program

## Now offers internship training sessions...

presented by Destination ImagiNation, the world's leading organization offering real-world experience in creativity, problem solving and teamwork. The innovative training sessions are designed to teach creative and critical thinking skills to ready REACH participants for placement in worthwhile internships.

## Internship Training Sessions

### 1 Understanding Your Impact

#### Individual Problem Solving Style

This session will teach students to identify distinctive problem solving styles and how they affect individual approach, team interaction, and overall problem solving ability.

January 10

### 2 Sizing It Up

#### Developing Solutions & Building Acceptance

In this session, students will learn the mechanics of quickly and effectively assessing a situation, risk, and available resources.

February 21

### 3 Great Ideas

#### Creative & Critical Thinking

Students will learn practical tools and techniques for idea generation and evaluation.

March 7

### 4 Thinking on Your Feet

#### Managing Change & Challenges

In this dual session, students will put all of the pieces together. They will learn to employ practical processes to efficiently and effectively handle change, crisis, and whatever else crosses their path.

April 11

### 5 Innovate and Create

#### Action Planning

This dual session will teach students to turn their ideas into action and stretch the limits of what they think is possible.

May 9

I'm so thankful that the REACH program was there for me. It has opened so many doors for me. "

- Mahmud (Mo) Mohammed

## What is Destination ImagiNation?

DI is a community-based, non-profit, volunteer-driven educational organization that teaches young people from Kindergarten through University-level the critical and creative thinking skills needed for success in the 21st Century. DI works with more than 250,000 children and young adults in all 50 states and over 40 countries each season. DI teaches the processes of Creative Problem Solving and teamwork.

As a complement to traditional education, DI offers participants of all ages a real-world experience in creativity, teamwork and problem solving. From the elementary science buff to the university band leader (and all those in between), everyone can benefit from participation in the Destination ImagiNation!

## Registration Deadline

The deadline is December 31, 2008!
